INCLUSIVE RELIGIOUS COMMUNITIES IN MINNESOTA

*Assembled by United Theological Seminary of the Twin Cities
Updated June 2018*

The religious communities below were assembled from a variety of resources. Communities listed here confirmed their inclusive stances on public websites, in personal email communications, and/or through affiliation/association with United Theological Seminary of the Twin Cities. Listings are alphabetical by city.

Fortunately, this list is NOT comprehensive, because there are new religious communities adding themselves to the rank of inclusive spaces regularly, and there are ways that religious communities show and do their commitment to inclusion in ways that are not immediately apparent. We welcome additions to this list! If your religious community in Minnesota is fully inclusive of people who are LGBTQIA2S+ but does not appear here, contact the United's admissions office at 651-255-6107 or admissions@unitedseminary.edu. Likewise, please contact us if any of the information below needs to be updated.
